

AUTHOR'S NAME AND SURNAME¹

TITLE OF THE ARTICLE²

Abstract

(100–300 words). Do not use references in the abstract. English only. Text format: Times New Roman, 10-point font, italic type, full justification.

Key words

3 to 5 keywords; separated; by; semicolons; English only; text format; Times New Roman; 10-point font; italic type; full justification.

Your text starts here. The article should be written in a world language. The total length of the article should not exceed 18 000–27 000 characters.

Text format: 12-point font Times New Roman, 1,5 spacing, justified. First line of each paragraph is intended (except for the first paragraph in every subheading).

1. Subheading

Short quotations are included in the main text, between double quotes. After quotations use reference in parentheses – e.g. (DÄNIKEN 1994, 5). If needed use automatic footnotes.

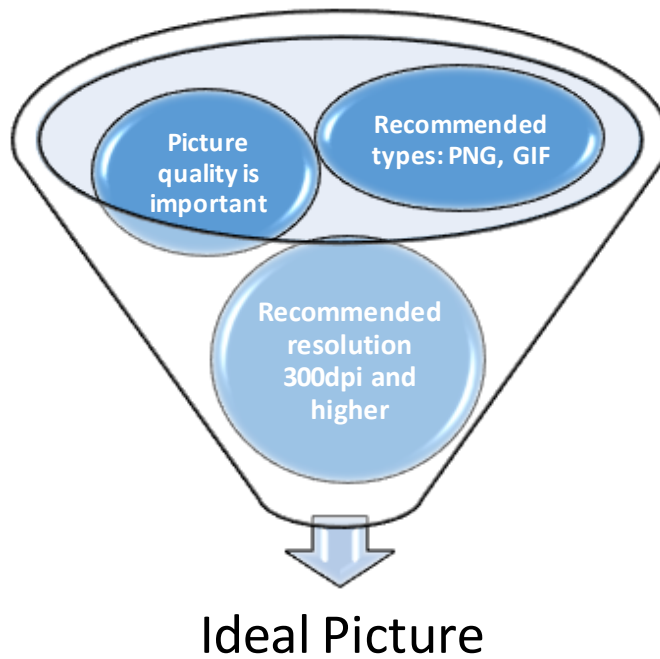

2. Subheading

The subheadings should be numbered and written in bold small letters, alignment centred. Pictures and tabs should be centred as well.

¹Format: Times New Roman, 12-point font, centred, capital letters.

²Format: Times New Roman, 14-point font, bold, centred.

Fig. 1: Figure and diagram captions should appear on the top of the image. Format: 10 points Times New Roman, bold; left aligned

Text continues normally after picture captions.

2.1 Subheading

Format requirements remain the same. Format requirements remain the same. Format requirements remain the same. Format requirements remain the same. Format requirements remain the same. Format requirements remain the same.

Format requirements remain the same. Format requirements remain the same. Format requirements remain the same. Format requirements remain the same. Format requirements remain the same. Format requirements remain the same.

Tab. 1. Table captions should come on top of each table. There is no line space between the caption and the table. Format: 10 points Times New Roman, bold; left aligned

Line title is vertically centred and horizontally left aligned	Column title is horizontally and vertically centred		
	Table content is centred		

A table is separated from the remaining text by a line space. Please use the automatic footnotes only. Do not use the automatic footnotes in tabs.

3. Conclusion

Please make sure that you have permission to reproduce all material included in your paper and that proper copyright acknowledgements are included.
